Revelries for '56 Cast by Producer

The final cast for the 1956 Revelries, "On the Nose," was chosen from the 32 callbacks, who reported yesterday in Morris Dailey Auditorium, according to Jim Dunn, student producer. All members of the cast are asked to initial the final cast list posted in the Speech and Drama Building today, Dunn stated.

The cast includes: Frank Davidson as J. Forbes Robinson; Marion Brugnone, Ann Seddelmeier; Nancy Stephens, Emma Seddelmeier; Bernie Gardner, Jake Seddelmeier; John Wulzen, Earl Nugget; Grant Salzman, Alex Chase; Benita Camilla, Bernice Fenney; Bob Montilla, Walter and office boy; Dave Schmitt, Exactly Wright; Suzy Zingler, Wilson; Bob Gordon, Robot; Bob Montilla, Prof. Schult; and Craig Thush as "Shorty the Shade."

The dancing chorus include: Fred Brooks, Harold Hancock, Wayne Abbey, Cheryl Del Biogio, Donna Acuff, Stella Armento, Diana Rischer, Lila Gier, and Constance Maxwell. Featured dancers will include Ron Stokes and Lynne Brunst.

The singing chorus include: Lee Anderson, Dick Thomas, Wes Gordon, Pete Carnegie, Rosemarie Frink, Karla Linden, Marlene Tip-ton, and B. J. Tedford.

Script for "On the Nose" was written by Dunn and Jim Houston. Fourteen original songs, including words and music were written for the musical by Jim Kason, producer of last year's show. This year the musical, unlike the past few performances, will be accompanied by an eight-piece orchestra. However, the name of the group has not been announced yet. Choreography is under the direction of Roberta Boone and stage setting is being handled by Julie Boyer.

The plot for Revelries involves a toymaker, who in reality is a bookie. His major objective in life is to keep the fact that he is a bookie from his lovely daughter, whom he is putting through school. When two strangers enter the picture, the whole scene is in chaos.

The main purpose of Revelries is to present to the students, faculty and public, a musical that has been written, directed, produced and staged by the students themselves.

A meeting of the entire cast and the Revelries Board will be held next Tuesday in Morris Dailey Auditorium at 3:30 p.m., according to Barney McCarthy, business manager.

Production dates are slated for May 10, 11, 12 and again May 18, 19.

Production dates are slated for May 10, 11, 12 and again May 18, 19.

Rally Committee Names New Head Yell Leader

Terry Haycock has been named head yell leader and Chuck Rigdon has been selected to replace Jim Ashworth as an assistant. Jim Cottrell, Rally Committee chairman, announced today. The pair will hold their new posts for the remainder of the semester.

Cottrell also stated that Rally Committee has scheduled a basketball rally for next Thursday in Morris Dailey Auditorium at 7 p.m.

Also on the calendar are plans for a high school rally conference to be hosted by San Jose State during the second week of April.

Rev. Calavan To Speak

Canterbury Club will hear the Rev. Corwin Calavan, Vicar of St. John's Episcopal Church, Montclair, speak on "Spiritual Preparation During Lent" Sunday evening at 6:30 o'clock.

The program will be held in the Youth Center, Trinity Episcopal Church, 81 N. Second St., according to the Rev. Stuart Anderson.

Dr. Heath Makes Plans For Final Exam Schedule

Plans for further clarification of the spring semester final examination schedule were revealed today by Dr. Harrison F. Heath, chairman of the Examination Committee.

Under this plan, students would be able to map out final schedules from a graphic drawing, slated for subsequent publication in the Spartan Daily.

"While the translation attempt of the final examination schedule into a form that could be set up in the Daily seemed very ingenious," Heath stated, "it has done two things we were trying to avoid: One, the elimination of group numbers in the interest of keeping things as simple as possible; and two, the Examination Committee is quite desirous of having the graphic pattern become familiar. It is hoped to have this same half-day pattern operate semester after semester."

UP ROUNDUP

Saudi Arabia Sent Eighteen US Tanks

WASHINGTON—(UPI)—The United States has sold Saudi Arabia 18 modern tanks, it was learned yesterday.

The tanks are aboard a ship scheduled to leave Brooklyn, N. Y., today.

The transaction was expected to bring protests from Israel, which has been seeking \$50 million worth of American weapons on bargain terms to offset Communist arms supplied to Egypt.

The State Department explained to the United Press, in response to questions, that Saudi Arabia requested the tanks last Spring and the United States agreed to sell them last fall. They are only now being shipped, however.

MILITARY ORDERS PROFIT

WASHINGTON—(UPI)—A major plane manufacturer told congress yesterday that a government move to cut profits on military orders would slow the defense effort.

J. L. Atwood, president of North American Aviation, told a House Armed Services subcommittee that in the past nine years his firm has made a profit of only 3.32 per cent on its sales.

Atwood was the lead-off witness in the subcommittee's investigation to determine whether plane manufacturers are reaping excessive profits on military orders.

CLAIMS IMMUNITY

WASHINGTON—(UPI)—A former government employee and labor union official claimed immunity under the Fifth Amendment yesterday when asked if he had associated with Harry Dexter White, one-time high Treasury Department official accused of espionage.

He was Henry Rhine, Louisville, Ky., who testified before the House Committee on Un-American Activities in its investigation of past Communist infiltration of the government.

RELOCATION OF U.S. 101

SACRAMENTO—(UPI)—The State Highway Commission said it was considering adoption of a freeway routing for relocation of U.S. 101 in San Francisco.

The commission said it would hold a public hearing on the proposal April 6 in San Francisco.

Plans of the Division of Highways call for construction of a six-lane freeway between Orizaba Avenue and the Bayshore Freeway, a distance of four miles, at an estimated cost of \$33,000,000.

PERUVIAN REVOLT

LIMA, PERU—(UPI)—A 12,000 man Peruvian Army garrison in the Amazon Port of Iquitos revolted yesterday against the government of President Manuel Odría.

The revolt is headed by Gen. Marcial Perino Pereira. The Amazon River fleet based at Iquitos joined the revolt.

AGRICULTURAL CONTEST

MOSCOW—(UPI)—A Ukrainian Communist delegate "challenged" other Soviet republics yesterday to a capitalist-type "contest" to spur agricultural production.

ONE OF THE MANY PILES of art work being displayed in the Art Wing, this water color is inspected by (left to right) Stanley Painter, Mrs. Gladys Vogelmann, Rick Beck-Meyer, Mr. William Ranzel, Elviera Anderson and Luanna Hugh. Extra Curricula

By VINCE PERRIN

University of Southern California has ousted two students and disciplined three others, all caught stealing tests from professors' offices during finals week. USC, which has already sent out 1000 telegrams to exam recipients, has had just about enough rope.

Circulating rumors tell that from 50 to 170 exams were taken and that several prominent student leaders are involved. In quiet desperation, the university appointed a committee to separate fact from fiction. But at week's end, students still reported hearing they could get stolen tests at \$40 a throw.

The University of Arkansas' "Traveler" boasts of a 200-record high-fidelity phonograph that was probably conceived by Bobo Rockefeller. "And a magnificent thing it is, too. It snobbishly refuses mere nickles, handles dimes reluctantly, and only tolerates

fifteen cents. It prefers quarters."

MOST FASCINATING NEWS STORY OF THE WEEK, from the University of North Dakota's "Dakota Student":

"Kerrville, Texas—August W. Henke recalls he sold bear meat for 12 cents in 1896."

Berea College's administration did a really remarkable double-take at the campus student store. College clerks there were offering toothpaste for sale flavored with either scotch, rye or bourbon. It is interesting to note that sales stopped about ten days later.

UCLA proved that racial issues are not confined to southern campuses this week when the university's Panhellenic group withdrew from student government representation. The Inter-fraternity Council is expected to make a similar protest move next week. Their reason is obscure.

The source of the boycott was a demand by the student legislature that sororities and fraternities submit their constitutions so that racial and religious restrictions may be studied for possible removal. These groups approximate one-fifth of the UCLA student body.

Organizational spokesmen reported they are willing to remove these clauses but want to do it "very gradually." Their reason: fraternities and sororities have a policy about submitting constitutions to the scrutiny of student government groups. They have a point that is dulled, unfortunately, by their action.

SANE THRESHOLDS

At Greeley's Colorado State College, a literature professor has long nourished a craving to teach a course dealing with the lives and works of great and talented authors who were of illegitimate birth. What stymied him was an appropriate name for his lectures.

He now thinks he has the problem licked, though it is somewhat of a bovine salt-lick. His course label marks it as the **MOST PROMISING COURSE TITLE OF THE WEEK**: "Some Misconceptions in English Literature." It opens new and relatively sane thresholds for college textbook and course titles.

MOST REWARDING HEADLINE OF THE WEEK, from Cal Poly's "Poly Views" (at San Dimas):

Weekend Doings

By DON OSBORNE

Friday is upon us, and the question "What to do?" strikes again. Maybe I can be of some help.

Tonight in the San Jose Civic Auditorium there is a basketball game scheduled between University of Santa Clara and Loyola.

However, if you're in more of a mood that requires low lights and soft music try the Hawaiian Gardens, 1500 Almaden Rd. Music is by Joe Daubek and new entertainment has been employed recently.

Another night club which caters to a college set is De Rosa's, 1255 E. Santa Clara. The Frank Wood Trio (piano, drums and sax) play a fair type of dance music.

That just about exhausts this area, but in the big city up north, much is happening. The stage entertainment is especially plentiful with "Anniversary Waltz" at the Alcazar (now in its 14th week) and "Mother Courage" at the Marines Memorial Theater.

The interplayers are presenting George Hirsch's new play, "The Ticket" and on the same bill is Sean O'Casey's "Bedtime Story" at the Bella Union Theater, 825 Kearney. Hitchcock is a young and very promising San Francisco playwright.

Drama in miniature can be seen at the "Smallest Theater in the World," 3110 Fillmore. The play, called "Dick Whittington and His Wonderful Cat," is presented in miniature with over 300 two-dimensional cut-outs that are manipulated from the wings accompanied by recorded dialogue and music.

"Ruddigore," the Gilbert and Sullivan opera, is being presented over the weekend at the Theater Arts Colony, 1725 Washington, and at 123 South Van Ness the Opera Ring is presenting their version of "Three Penny Opera."

Here's a happy note for those who caught Mort Sahl at the Hungry "I". He's back again and just as funny as ever.

Hawaii 'Paradise' Draws Students; University Credits Good at SJS

By SHELBY TREE

"Take the following ingredients: a young girl (between 18 and 25). Add a mixture consisting of equal portions of waving palms, tropical blossoms, strumming guitars, murmuring surf and whispering trade winds. Mix well with Hawaiian hospitality, and bake to a golden brown on the beach of Waikiki," tempts the co-ordinators of the Stop Study Tour to Hawaii (Travel Advisors Greene, Birdseye and Nelson in San Jose).

In recent summers, many SJS coeds have been lured by such talk to the luscious tropical paradise of the Hawaiian Islands. In some instances the balmy weather and sweet-scented moonlit nights seem to have a weird effect on SJS coeds.

Take Sarah Starryeyes for instance. Sarah used to be a normal, happy general elementary major at SJS. She belonged to an average sorority, made average grades, was pinned to an average boy whom she planned to marry the day after she was to be graduated (the average time to be married).

Then Sarah decided to spend her summer vacation in Hawaii.

Parents and friends received voluminous, travel folder-like letters from Sarah expounding upon her romantic adventures: munching fish and poi with true Island natives, skin diving for killer sharks and whisking over the navy blue ocean in catamarans with her new love, Humakanawioola.

Soon Sarah shocked the folks back home with the announcement that she never could bring herself to return to the mainland.

"I'll comb beaches, string leis, pick pineapple—anything—but leave my Humakanawioola and come home and teach!" she cried passionately in one letter.

But as queer twists of fate have it, the lush islands had an overabundance of ex-school teacher beach combers, lei-stringers and pineapple pickers.

Poor Sarah was forced to return to the stodgy USA, thus leaving poor Humakanawioola at the hands of the next boat load of screaming college coeds.

San Jose Cagers Meet COP, Loyola in Crucials

With their season's quota of games against San Francisco's Dons completed, the Spartan basketballers continue their battle for the runnerup spot in the California Basketball Assn. by meeting College of Pacific at Stockton tonight and Loyola of L. A. in Spartan Gym tomorrow night. Both games will start at 8:15 p.m.

Both of San Jose's opponents, along with St. Mary's, are in the thick of the right with the Spar-

tans for the No. 2 spot in the loop. Coach Walt McPherson's charges have a 7-3 mark while St. Mary's has 6-3; Loyola 7-4 and COP 5-4. However, St. Mary's meets USF tonight and should SJS fall to the Tigers, all four clubs will have four losses going into Saturday night's games.

The Spartans smothered Pacific a month ago, 61-32, but since then the Tigers have held their own and succeeded in knocking

off St. Mary's, 73-72, Tuesday. John Thomas, 6-foot, 5-inch forward who scored 20 points against Sparta, leads the league in scoring with 183 points and a 20.3 average, while forward Dave Davis is also in the top ten with 135 and a 15.0 average.

San Jose nipped Loyola, 43-41, in the first meeting of the two clubs, but the Spartans may enjoy the advantage of their home floor this time.

The Lions have two top performers in Dave Benadaret and Tom Salvino, both in the league's top 15 point getters.

McPherson will probably counter with the same team which started against the Dons. This would be John Erceg and Bob Borghesani at the forwards, Marv Branstrom at center and Eddie Diaz and Tom Crane at the guards.

Forward Ray Goodwin, who injured his thumb in the Fresno State game and sat out the USF tilt, is on the doubtful list again this weekend. However, he might be able to get in some playing time.

Several reserves — especially Dick Schwendinger, Gil Egeland and Fred Niemann — looked sharp against San Francisco and will probably get into action.

Tomorrow night's game will be preceded by a 6:15 p.m. preliminary between Jerry Vroom's SJS Freshman team and Hartnell College of Salinas. The Spartan Frosh are idle tonight.

Boxers Hit the Road; Travel to Cal Poly

Looking for their second victory in as many starts, San Jose State boxers meet strong Cal Poly tonight at San Luis Obispo in a dual meet. Junior Varsity squads between the two schools will meet at 7:30 o'clock.

The Mustangs, rated by Spartan Coach Julie Menendez on a par with any team on the Pacific Coast in dual meet competition, have an edge in experience and ability over Washington State, San Jose's victims in last week's meet. He expects the match to be very close.

Poly boxers are bolstered by five returning lettermen including 178-pound Jack Shaw who is in his fourth year of varsity competition. He was an NCAA finalist in his division in 1952, and he will be opposed tonight by Spartan Jim Turmev.

The Spartan Junior Varsity will take on the Poly J.V.'s in a four bout preliminary.

Pairings for tonight's eight bout meet will match State's Al Accurso against Eduardo Labac-tida in the 125 pound division;

Al Julian of San Jose against Lambert Lelevier in the 132 pound class; Spartan Vic Rapazini against Pete Gadenex in the 139 pound bout; Welvin Stroud of San Jose against Frank Lodia in the 147 pound slot.

Jack Montgomery, 156, will go against Charles Gow of the Mustangs; SJS Captain Max Voshall against Rudy Brooks for 165 pound honors; Jim Tormey against Shaw in the 178 pound rank and Heavyweight Mel Ratkovich against Vic Buccola.

Stanford Swimmers Invade Spartan Pool

San Jose State students will get a chance to see the best college swimming team on the Pacific Coast and possibly the best in the nation this afternoon when Stanford invades the Spartan pool.

First event, the 300-yard individual medley, is set for 4 o'clock. All students will be admitted free with their student body cards.

Defending Pacific Coast Conference champions, the Indians are reportedly loaded and should have little trouble in handling the Spartan swimmers. It will be the first meet for the Tom Haynie coached Tribe this year. San Jose already has one encounter under its belt, having disposed of Treasure Island Navy, 51-30.

Spartan coach Charlie Walker reports the Indians have been going through intensive practice sessions all year in preparation for next month's collegiate finals and the summer Olympic trials. Water polo was dropped up at the farm because Haynie felt it in-

terfered with the progress of the swimmers.

According to Walker, the Spartans will be lucky to place first or second in any of the events. The Spartan mentor believes San Jose's best chance is in the diving where Bob Eustis and Roy Cleg-horn will carry the Spartan banner.

Robin Moore, termed by Walker as the best young swimmer in America, will lead the Stanford squad. Moore, a native of Arizona, was a big gun on the Indian frosh squad last year, and can enter either the breaststroke or freestyle events. According to reports from the farm he has already broken 52.0 for the 100 yard freestyle. The San Jose State school record is 59.1.

Dick Threlfall, who scored two seconds against the Indians last year, is expected to pace the Spartan swim team. Others counted on for points are Stan McConnell, Larry Wood, Roger McCandless, and captain Jay Cross.

Spartan Wrestlers To Compete in AAU

Seeking to improve their second place finish of last year, Coach Hugh Mumby's Spartan wrestlers compete in the Northern Pacific AAU matches tomorrow morning at San Francisco State College.

Other teams competing in the tournament are the Olympic Club, San Francisco State, Stanford, Santa Clara, and YMCA teams from the Bay area.

Representing San Jose will be Carlos Arevalo, 115; Kiyoshi Oshiba, 123; George Uchida, 132; Ron Outland and Lynn Brooks, 147; Dick Weger and Pete Berman, 157; Ken Spagnola, 167; Jerry Leelan, Bob Stangio, Claire Sahlman and Dick Bauer, 177; Russ Camelleri and Henry Lee, 191; and Tom Ryan, Roy Frontani, and Connie Condos, heavyweights.

San Jose State finished behind the Olympic Club in last year's matches.

Stanford Swimmers Smother Freshmen

Coach Charlie Walker's Freshman swimmers were stopped, 70-14, by the powerful Stanford Frosh club yesterday in the winners' pool.

The Spartababes could gather only one tie for first and one second spot. Bob Haywood of SJS garnered the tie, getting 171.9 points in the diving competition. Ron Tuttle captured a second-place ribbon by being runnerup in the 200-yard individual medley.

San Jose did manage to garner eight third places however. The Spartababes take on Santa Clara High next week.

SJS Pistol Team Wins

San Jose State's Army ROTC pistol team downed Stanford, 1378-1310, last night on the Palo Alto range.

High individual honors were taken by Albert Searez of the Spartans who fired 287 out of a possible 300.

Eddie Diaz, San Jose State sophomore guard, set a scoring record of 39 points in the Vallejo Invitational tourney while at Ar-mijo High in 1949.

Al Accurso and Al Julian, two of the brightest hopes in the San Jose State boxing team, learned the rudiments of the ring game at Sequoia High, in Redwood City, from former Spartan star Bob Andersen.

Marv Branstrom, San Jose State's 6-7 sophomore center, was named to the All-Illinois Junior College conference team while at North Park J.C. in Chicago.

Clements Says Job Opportunities Good

Graduating seniors will find themselves on a rising tide so far as job opportunity is concerned, according to Dr. Edward Clements, placement officer.

At senior briefing yesterday, Dr. Clements told the group that living standards are at a high, and at the same time graduates are being turned out this year in smaller numbers than in the past.

Dr. Clements told the group that the high standards we now are enjoying, brought about by an era of abundance, are being supplemented by the large number of "young" families now beginning to purchase the necessities of adult and family living.

This is increasing the job opportunities for the college student graduating at this time, according to Dr. Clements.

The influence of these factors is reaching into every field, particularly the education, business and technical fields.

Dr. Clements concluded his remarks to the seniors by urging them to make use of placement facilities of the college and to prepare themselves properly before appearing for interviews arranged by the office.

Bachelors Beware; This Is Leap Year

NEW YORK—(UP)—Men, beware. It's 1956—a year that's divisible by four. It's Leap Year.

Origin of the custom that allows an enamored female to pursue the male of her choice every fourth year isn't known. Research indicates, however, that as early as the 13th century the woman-chases-man idea was being observed in Scotland, France and some other countries. In some nations the custom even was recognized by law.

Greeting card publishers are ready to help a girl with the chase. One 1956 greeting shows a maid peering from behind a tree. Says she:

"You may think you can't trust me,
"But I'm here to state you can
"Cause I don't want a husband—
"I want a single man!"

Grisham Becomes Spears President

Gayle Grisham was elected spring semester president of Spartan Spears at their meeting last Tuesday.

Other new officers in the honorary service organization for Sophomore women are Pat Parrish, vice president; Sandy Ward, recording secretary; Pat Craven, corresponding secretary; Joan Oesser, treasurer; and Joan Healy, historian.

Installation of the officers will be held Tuesday evening, in the Memorial Chapel. Pat Parrish, Joan Healy, Marilyn Uyeda, Sandy Ward, and Jeanie Oakleaf form the installation committee.

Ex-Spartan Signs Baseball Contract

Jack Richards, ex-San Jose State diamond star, became the tenth man to sign a contract with the Santa Clara Valley Baseball Club, when he inked his contract Tuesday, according to Bill Tunnell, business manager.

Richards, currently playing second base and batting over .300 for the undefeated Southside Market team of the San Jose Winter League, was team captain for the Spartans last season.

Richards is still completing work for his teaching credential which he will receive in June.

Aeronautics Fete

Patti Phillips, president of Alpha Eta Rho, national aviation fraternity, and Thomas Leonard, associate professor of aeronautics, have been invited to attend an AER installation dinner at San Francisco International Airport tomorrow.

The dinner will mark the installation of an AER chapter at College of San Mateo.
